Order Code	Product Description	Price Sterling
A) DMX Splitters		
(DMX-Buffer RJ45)	DMX Line buffer / booster that supports RDM.	£185.00
(DMX-Buffer XLR)	DMX Line buffer / booster that supports RDM.	£185.00
(DMX-Clarify XLR)	DMX Line buffer / booster with active data fixing (re-times signal and filters out RDM)	£255.00
(DMX-Protect XLR)	DMX Line protection against accidental mains connection, static discharge and lightning. No PSU required.	£155.00
(DMX-Term 3)	3 pin DMX512 Terminator	£20.00
(DMX-Term 5)	5 pin DMX512 Terminator	£20.00
(rackSplit octo)	NEW PRODUCT. Single input, 8 output DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version fitted with XLR5. Transient protected outputs.	£495.00
(Rail-Split DMX BP)	Bulk Pack contains 10 products. 1 in to 6 out DMX512 splitter. RDM data is ignored. Isolated input. Din Rail Enclosure with screw terminal connectors.	£2,100.00
(Rail-Split DMX)	1 in to 6 out DMX512 splitter. RDM data is ignored. Isolated input. Din Rail Enclosure with screw terminal connectors.	£245.00
(Rail-Split extreme)	Rail-Split extreme is a variant of Rail-Split RDM. Rail-Split extreme additionally provides surge protection on the input, loop and outputs, which is aimed at protecting the product and connected equipment against voltage surges of the type generated by lightning.	£345.00
(Rail-Split RDM II)	1 in to 6 out DMX512 splitter with support for RDM and a Fix mode which filters non-standard data and fixes timing errors. Isolated input. Din Rail Enclosure with screw terminal connectors.	£285.00
(Rail-Split RJ45)	NEW PRODUCT. 1 in to 4 out DMX512 splitter with support for RDM and a Fix mode which filters non-standard data and fixes timing errors. Isolated input. RJ45 connectors. Mains powered.	£325.00
(vSplit BLANK)	Blank panel for versaSplit duo.	£19.50
(vSplit CRMX)	CRMX wireless DMX input module for versaSplit.	£199.00
(vSplit ETHB)	Ethernet B input module for versaSplit with browser configuration, 10/100BaseT.	£143.00
(vSplit XLR3)	DMX input module for versaSplit. XLR 3 connectors.	£99.00
(vSplit XLR5)	DMX input module for versaSplit. XLR 5 connectors.	£99.00
(vSplit XLR8)	DMX input module for versaSplit. Ethercon XLR 8 pin connectors.	£99.00
(vSplit duo extreme x-5-x)	Dual input, 8 output modular DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version has no input modules fitted. Surge protected outputs.	£906.00
(vSplit duo x-5-x)	Dual input, 8 output modular DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version has no input modules fitted.	£706.00
(vSplit duo x-8-x)	Dual input, 8 output modular DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version has no input modules fitted. All outputs are Ethercon.	£780.00
(vSplit duo xlr5-5-xlr5)	Dual input, 8 output modular DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version fitted with XLR5 DMX input modules and XLR5 output connectors.	£895.00
(vSplit iso xlr5-5)	Single input, 10 output modular DMX512 splitter / fixer with RDM support and individually isolated outputs. 1RU 19" rack mount. This version fitted with XLR5 DMX input module and XLR 5 pin output connectors.	£1,425.00
(vSplit iso xlr5-8)	Single input, 10 output modular DMX512 splitter / fixer with RDM support and individually isolated outputs. 1RU 19" rack mount. This version fitted with XLR5 DMX input module and Ethercon output connectors.	£1,499.00
(vSplit iso xlr8-8)	Single input, 10 output modular DMX512 splitter / fixer with RDM support and individually isolated outputs. 1RU 19" rack mount. This version fitted with XLR8 DMX input module and Ethercon output connectors.	£1,499.00
(vSplit mini crmx-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with CRMX wireless DMX input module. Outputs are XLR5.	£595.00

Prices are exclusive of VAT and Delivery. Sales subject to our terms and conditions, a copy of which is available upon request. E&OE.

Order Code	Product Description	Price Sterling
(vSplit mini ethb-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with ETHB 10/100BaseT ethernet input module. Outputs are XLR5.	£539.00
(vSplit mini x-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version is not fitted with an input module. Outputs are XLR5.	£396.00
(vSplit mini xlr3-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with XLR3 DMX input module. Outputs are XLR5.	£495.00
(vSplit mini xlr5-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with XLR5 DMX input module. Outputs are XLR5.	£495.00
(vSplit mini xlr8-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with XLR8 (Ethercon) DMX input module. Outputs are XLR5.	£495.00
(vSplit mono crmx-5)	Single input, 10 out modular DMX512 splitter / fixer. 1RU 19" rack mount. This version fitted with CRMX wireless DMX input module.	£855.00
(vSplit mono ethb-5)	Ethernet input, 10 out modular DMX512 splitter / fixer. 1RU 19" rack mount. This version fitted with ethernet input module.	£799.00
(vSplit mono x-5)	10 output modular DMX512 splitter / fixer with RDM support and XLR5. 1RU 19" rack mount. This version has no input module fitted.	£656.00
(vSplit mono x-8)	10 output modular DMX512 splitter / fixer with RDM support and Ethercon connectors. 1RU 19" rack mount. This version has no input module fitted.	£730.00
(vSplit mono xlr5-5)	Single input, 10 output modular DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version fitted with XLR5 DMX input module and XLR5 output connectors.	£695.00
(vSplit mono xlr8-8)	Single input, 10 output modular DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version fitted with XLR8 DMX input module and Ethercon output connectors.	£829.00
B) Art-Net & sACN		
(artLynx duo)	Ethernet to two DMX512/RDM universe output module. DIN rail or wall mounting	£295.00
(artLynx quad)	Ethernet to four DMX512/RDM universe output module. DIN rail or wall mounting	£395.00
(artLynx RJ45)	NEW PRODUCT. Ethernet to four DMX512/RDM universe output using all RJ45 connectors. DIN rail or wall mounting	£395.00
(Art-Switch PoE4)	DIN-Rail 10/100BaseT PoE Ethernet Switch.	£365.00
(dataLynx II extreme xlr3)	Rack mount Art-Net & sACN to DMX/RDM Converter, 12 DMX outputs. Surge protected outputs.	£1,195.00
(dataLynx II extreme xlr5)	Rack mount Art-Net & sACN to DMX/RDM Converter, 12 DMX outputs. Surge protected outputs.	£995.00
(dataLynx II extreme xlr8)	Rack mount Art-Net & sACN to DMX/RDM Converter, 12 DMX outputs. Surge protected outputs.	£1,095.00
(dataLynx II SFP extreme xlr5)	Rack mount Art-Net & sACN to DMX/RDM Converter, 12 DMX outputs. Surge protected outputs. SFP input slot. (Module not included)	£1,295.00
(dataLynx II SFP xlr5)	Rack mount Art-Net & sACN to DMX/RDM Converter, 12 DMX outputs. SFP input slot. (Module not included).	£1,195.00
(dataLynx II xlr3)	Rack mount Art-Net & sACN to DMX/RDM Converter, 12 DMX outputs.	£955.00
(dataLynx II xlr5)	Rack mount Art-Net & sACN to DMX/RDM Converter, 12 DMX outputs.	£795.00
(dataLynx II xlr8)	Rack mount Art-Net & sACN to DMX/RDM Converter, 12 DMX outputs.	£895.00
(Gender 5MM)	NEW PRODUCT. Neutrik male to male gender changer to convert port to DMX512 input. (For use with dataLynx II and netLynx quad).	£19.00
(netLynx quad)	NEW PRODUCT. Ethernet to four DMX512/RDM universe output module. Flange mounted case	£495.00
(rackLynx octo)	NEW PRODUCT. Rack mount Art-Net & sACN to DMX/RDM Converter, 8 DMX outputs. 1RU 19" rack mount. Transient protected outputs.	£595.00
C) DALI		
(daliGate quad)	Ethernet to four DALI circuit. DIN rail or wall mounting	£495.00
(daliSwitch)	DIN Rail mount DALI controlled 6 channel mains relay.	£295.00
(DALItoDMX)	NEW PRODUCT. DIN Rail mount DALI to DMX converter.	£455.00
(DMXtoDALI quad)	NEW PRODUCT. DIN Rail mount DMX to DALI converter with DT8 support.	£425.00
(Rail-PSU-D4)	Four channel DALI Bus Power Supply.	£265.00

Prices are exclusive of VAT and Delivery. Sales subject to our terms and conditions, a copy of which is available upon request. E&OE.

Order Code	Product Description	Price Sterling
D) Interface Products		
(Henrietta)	RJ45 to female 5 pin XLR adapter.	£35.00
(Henry)	RJ45 to male 5 pin XLR adapter.	£35.00
(Rail-Contact)	DIN Rail Contact closure DMX Trigger Unit.	£255.00
(Rail-Demux)	DIN Rail mount DMX to 16 channel analogue.	£395.00
(Rail-Flip)	4 universe DMX512 change-over with manual or automatic fail-over.	£355.00
(Rail-Merge)	DIN rail mounted product that merges two DMX inputs to one DMX output.	£375.00
(Rail-Patch XLR5F)	Din rail mounted patch panel for 5 pin female XLR connector.	£32.00
(Rail-Patch XLR5M)	Din rail mounted patch panel for 5 pin male XLR connector.	£32.00
(Rail-Road)	19" Rack adapter for Din-Rail products.	£145.00
(Rail-Switch II)	DIN Rail mount DMX controlled 6 channel mains relay.	£275.00
(Switch-Filter)	Current Limiter Filter for Rail-Switch II.	£32.00
E1) Dimming - Mains		
(sunDial quad dmx 1k)	NEW PRODUCT. sunDial 4 channel trailing edge dimmer with DMX/RDM control. 1KW total at 230 VAC. PLASA 2019 Award Winner.	£395.00
(sunDial quad xgc 1k)	NEW PRODUCT. sunDial 4 channel trailing edge dimmer with Xicato GalaXi and DMX/RDM control. 1KW total at 230 VAC. PLASA 2019 Award Winner.	£455.00
E2) Dimming - LED - Constant Voltage		
(lightJuice CV4)	A PoE++ powered (24V 60W) 4 channel constant voltage dimmer.	£695.00
(Rail-Pipe HC BP)	Bulk pack of 10 Rail-Pipe HC.	£2,565.00
(Rail-Pipe HC)	Six Channel High Current Constant Voltage Controller for Passive LED Fixtures.	£285.00
F1) Lighting Controllers - matisse wall panel		
(matisse d4 dmx)	Wall panel DMX controller with 4 dials in 2-gang UK face plate. DMX output Can be concatenated. PLASA 2018 Award Winner.	£275.00
(matisse d4 fascia bk)	Cover and dial kit for matisse d4. Matt black plastic fascia plate and dial.	£20.00
(matisse d4 fascia bkch)	Cover and dial kit for matisse d4. Matt black plastic fascia plate and chrome dial.	£20.00
(matisse d4 fascia bs)	Cover and dial kit for matisse d4. Brushed steel fascia plate and brushed steel dial.	£20.00
(matisse d4 fascia ch)	Cover and dial kit for matisse d4. Chrome fascia plate and chrome dial.	£20.00
(matisse d4 fascia pw)	Cover and dial kit for matisse d4. Polished white fascia plate and polished white dial.	£20.00
(matisse d4 fascia ss)	Cover and dial kit for matisse d4. Stainless steel fascia plate and stainless steel dial.	£20.00
(matisse f6 dmx)	Wall panel DMX controller. UK Format. Can be concatenated. PLASA 2018 Award Winner.	£295.00
(matisse Light-Switch II)	NEW PRODUCT. Wall panel DMX controller with USB interface.	£345.00
F2) Lighting Controllers - moody wall panel		
(moody cvf1)	Wall panel controller for a zone of RGB colour with built-in CV dimmer.	£129.00
(moody cvi1)	Wall panel controller for 1 channel of white light intensity with built-in CV dimmer.	£129.00
(moody cvx1)	Wall panel controller for a zone of RGB colour with built-in CV dimmer.	£129.00
(moody cvz1)	Wall panel controller for a zone of RGB colour with built-in CV dimmer.	£129.00
(moody f1)	Wall mount DALI & DMX dynamic effects panel controller for a zone of RGB with illuminated rotary control.	£129.00
(moody f10)	Wall mount DALI & DMX dynamic effects panel controller for 10 zones of RGB with illuminated rotary control.	£129.00
(moody f3)	Wall mount DALI & DMX dynamic effects panel controller for 3 zones of RGB with illuminated rotary control.	£129.00
(moody fascia bk)	Cover and dial kit for moody. Matt black plastic fascia plate and dial.	£15.00
(moody fascia bkch)	Cover and dial kit for moody. Matt black plastic fascia plate and chrome dial.	£15.00

Prices are exclusive of VAT and Delivery. Sales subject to our terms and conditions, a copy of which is available upon request. E&OE.

Order Code	Product Description	Price Sterling
(moody fascia bs)	Cover and dial kit for moody. Brushed steel fascia plate and brushed steel dial.	£15.00
(moody fascia ch)	Cover and dial kit for moody. Chrome fascia plate and chrome dial.	£15.00
(moody fascia pw)	Cover and dial kit for moody. Polished white fascia plate and polished white dial.	£15.00
(moody fascia ss)	Cover and dial kit for moody. Stainless steel fascia plate and stainless steel dial.	£15.00
(moody i1)	Wall panel controller for 1 channel of white light intensity with DALI and DMX outputs.	£99.00
(moody i16)	Wall panel controller for 16 channels of white light intensity with DALI and DMX outputs.	£99.00
(moody i6)	Wall panel controller for 6 channels of white light intensity with DALI and DMX outputs.	£99.00
(moody x1)	Wall panel controller for a zone of RGB colour with DALI and DMX outputs.	£129.00
(moody x10)	Wall panel controller for 10 zones of RGB colour with DALI and DMX outputs.	£129.00
(moody x3)	Wall panel controller for 3 zones of RGB colour with DALI and DMX outputs.	£129.00
(moody y1)	Wall panel controller for a zone of RGBW colour with DALI and DMX outputs	£129.00
(moody y10)	Wall panel controller for 10 zones of RGBW colour with DALI and DMX outputs.	£129.00
(moody y3)	Wall panel controller for 3 zones of RGBW colour with DALI and DMX outputs.	£129.00
(moody z1)	Wall panel controller for a zone of RGB colour with DALI and DMX outputs.	£129.00
(moody z10)	Wall panel controller for 10 zones of RGB colour with DALI and DMX outputs.	£129.00
(moody z3)	Wall panel controller for 3 zones of RGB colour with DALI and DMX outputs.	£129.00
F3) Lighting Controllers - pixel mappers		
(Colour-Tramp 4U)	Control software for 2D/3D colour or intensity arrays. 4 Universe Output.	£2,180.00
(Colour-Tramp 8U)	Control software for 2D/3D colour or intensity arrays. 8 Universe Output.	£3,360.00
(Colour-Tramp 20U)	Control software for 2D/3D colour or intensity arrays. 20 Universe Output.	£6,900.00
(Colour-Tramp 40U)	Control software for 2D/3D colour or intensity arrays. 40 Universe Output.	£12,800.00
(Colour-Tramp PC)	A Rack Mount PC pre-installed and tested with the Colour-Tramp software (Licence is still required).	£2,495.00
(Colour-Tramp RDM)	RDM Monitor	£3,995.00
(Colour-Tramp SL)	Control software for 2D/3D colour or intensity arrays. Site Licence.	£24,600.00
(dVnet server extreme)	An 85,000 pixel digital video to network converter housed in a 1u 19-inch rack case with 50/60Hz HDMI video input up to 1920x1080p progressive.	£5,500.00
(dVnet server pro)	A 20,000 pixel digital video to network converter housed in a 1u 19-inch rack case with 50/60Hz HDMI video input up to 1920x1080p progressive.	£4,500.00
(dVnet server)	A 20,000 pixel digital video to network converter housed in a 1u 19-inch rack case with 50Hz HDMI video input up to 1920x1080i interlaced.	£4,000.00
(dVnet soft 1,000)	Pixel mapper software licence for 1,000 pixels. Windows 10.	£75.00
(dVnet soft 2,000)	Pixel mapper software licence for 2,000 pixels. Windows 10.	£150.00
(dVnet soft 8,000)	Pixel mapper software licence for 8,000 pixels. Windows 10.	£300.00
(dVnet soft 20,000)	Pixel mapper software licence for 20,000 pixels. Windows 10.	£750.00
(dVnet soft 40,000)	Pixel mapper software licence for 40,000 pixels. Windows 10.	£1,000.00
(dVnet soft 85,000)	Pixel mapper software licence for 85,000 pixels. Windows 10.	£2,000.00
G) Test Equipment		
(Commissioner dali)	NEW PRODUCT. Hand-held DALI commissioning, test and analysis tool.	£375.00
(daliDongle)	USB-to-DALI converter, designed to work in conjunction with DMX-Workshop.	£150.00
(DALI-USB Tridonic)	USB DALI interface and testing tool.	£405.00
(DMX-Break)	Breakout module for testing DMX512.	£185.00
(Integrity)	Software suite for testing RDM	£420.00
(lightSense)	NEW PRODUCT. USB light sensor for use with DMX-Workshop.	£155.00

Prices are exclusive of VAT and Delivery. Sales subject to our terms and conditions, a copy of which is available upon request. E&OE.

Order Code	Product Description	Price Sterling
(Micro-Scope 3a)	The worlds best selling DMX512 and MIDI tester.	£395.00
(MIDI-Scope)	A battery powered, handheld MIDI tester and analyser. Includes Charger/PSU and soft case.	£595.00
(nanoScope developer)	A simple RDM analyser and DMX512 mimic for product developers.	£99.95
(nanoScope tx)	A simple DMX512 transmitter built into an XLR connector.	£95.00
(nanoScope)	A simple DMX512/RDM tester built into an XLR connector.	£65.00
H) Power Supplies		
(PSU-12-10-DR)	DIN Rail PSU. 12V 10A. Switched AC input.	£95.00
(PSU-24-2.5-DR)	Din Rail PSU for Rail products. 24V 2.5A. Universal AC input	£69.00
(PSU-24-2-FER)	PSU for Rail-Demux and Rail-PSU-D4. Terminated with 2 pin ferrules. Universal AC input on IEC.	£55.00
(PSU-24-5-DR)	Din Rail PSU. 24V 5A. Switched AC Input	£135.00
(PSU-48-10-DR)	Din Rail PSU for Candle-Power CP12. 48V 10A. Switched AC input.	£470.00
(PSU-48-1-DR)	Din Rail PSU for Art-Switch PoE4. Universal AC input	£115.00
(PSU-48-5-DR)	Din Rail PSU. 48V 5A. Universal AC input.	£200.00
(PSU-9-1.5-DCJ)	Spare PSU for Micro-Scope and DMX-Buffer. Universal voltage input.	£30.00
(PSU-9-1.5-FER)	PSU for Rail products. Universal voltage input.	£30.00
(PSU-9-1.5-XLR4)	PSU terminated with 4 pin female xlr. Universal AC input on IEC.	£35.00
(PSU-9-10-DR)	DIN Rail PSU. 9V 10A output with a switched mains input.	£135.00
I) OEM		
(atomIC atIC8001)	The atIC8001 is the main user interface and data processor for the modular dimmer system. It receives DMX512 and RDM. Drives the LCD and keyboard plus communicates with the channel processors. A total of 48 channel processors are supported.	£95.00
(atomIC atIC8001-Dev)	the atIC8001-Dev includes the blank development board, one atIC8001, two atIC8016 forward phase processors and one atIC8018 reverse phase processors. The development kit allows the user to build a fully functional development board.	£350.00
(atomIC atIC8016)	The atomIC atIC8016 is the leading edge (Triac & SCR) channel drive processor for the modular dimming system.	£45.00
(atomIC atIC8018)	The atomIC atIC8018 is the trailing edge (IGBT & Mosfet) channel drive processor for the modular dimming system.	£45.00
(oemGate quad)	NEW PRODUCT. oemGate quad is a fully featured gateway between ethernet and DMX512/RDM. It is supplied as a PCB Assembly and aimed at the custom assembly and OEM markets.	£295.00
J) Books		
(Control Freak)	Control Freak by Artistic Licence CEO Wayne Howell, is a reference on the subject of DMX512 and RDM.	£29.95
(Light Bytes)	Light Bytes by Artistic Licence CEO Wayne Howell, is a reference on the subject of Art-Net and sACN.	£35.00
(Rock Solid)	Rock Solid Ethernet by Wayne Howell.	£24.95
K) Spares		
(Mic-Bat)	Spare NiCd battery for Micro-Scope, Show-Control, MIDI-Scope.	£24.00
(USB Prog Adapter)	USB adapter kit for programming Light-Switch I or Micro-Scope.	£125.00

Prices are exclusive of VAT and Delivery. Sales subject to our terms and conditions, a copy of which is available upon request. E&OE.
