Order Code	Product Description	Price Sterling
A) DMX Splitters & Wireless DMX		
(DMX-Buffer XLR)	DMX Line buffer / booster that supports RDM.	£185.00
(DMX-Buffer RJ45)	DMX Line buffer / booster that supports RDM.	£185.00
(DMX-Protect XLR)	DMX Line protection against accidental mains connection, static discharge and lightening. No PSU required.	£155.00
(DMX-Clarify XLR)	DMX Line buffer / booster with active data fixing (re-times signal and filters out RDM)	£255.00
(Rail-Split DMX)	1 in to 6 out DMX512 splitter. RDM data is ignored. Isolated input. Din Rail Enclosure with screw terminal connectors.	£245.00
(Rail-Split DMX BP)	Bulk Pack contains 10 products. 1 in to 6 out DMX512 splitter. RDM data is ignored. Isolated input. Din Rail Enclosure with screw terminal connectors.	£1,960.00
(Rail-Split RDM II)	1 in to 6 out DMX512 splitter with support for RDM and a Fix mode which filters non-standard data and fixes timing errors. Isolated input. Din Rail Enclosure with screw terminal connectors.	£275.00
(Rail-Split extreme)	Rail-Split extreme is a variant of Rail-Split RDM. Rail-Split extreme additionally provides surge protection on the input, loop and outputs, which is aimed at protecting the product and connected equipment against voltage surges of the type generated by lightning.	£345.00
(DMX-Term 5)	5 pin DMX512 Terminator	£20.00
(DMX-Term 3)	3 pin DMX512 Terminator	£20.00
(vSplit mini x-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version is not fitted with an input module. Outputs are XLR5.	£396.00
(vSplit mini xlr3-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with XLR3 DMX input module. Outputs are XLR5.	£495.00
(vSplit mini xlr5-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with XLR5 DMX input module. Outputs are XLR5.	£495.00
(vSplit mini xlr8-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with XLR8 (Ethercon) DMX input module. Outputs are XLR5.	£495.00
(vSplit mini crmx-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with CRMX wireless DMX input module. Outputs are XLR5.	£595.00
(vSplit mini ethb-5)	Single input, 6 output modular DMX512 splitter / fixer with RDM support. Desk or truss mount. This version fitted with ETHB 10/100BaseT ehternet input module. Outputs are XLR5.	£539.00
(vSplit mono xlr5-5)	Single input, 10 output modular DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version fitted with XLR5 DMX input module and XLR5 output connectors.	£695.00
(vSplit mono x-5)	10 output modular DMX512 splitter / fixer with RDM support and XLR5. 1RU 19" rack mount. This version has no input module fitted.	£656.00
(vSplit mono x-8)	10 output modular DMX512 splitter / fixer with RDM support and Ethercon connectors. 1RU 19" rack mount. This version has no input module fitted.	£730.00
(vSplit mono xlr8-8)	Single input, 10 output modular DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version fitted with XLR8 DMX input module and Ethercon output connectors.	£829.00
(vSplit mono crmx-5)	Single input, 10 out modular DMX512 splitter / fixer. 1RU 19" rack mount. This version fitted with CRMX wireless DMX input module.	£855.00
(vSplit mono ethb-5)	Ethernet input, 10 out modular DMX512 splitter / fixer. 1RU 19" rack mount. This version fitted with ethernet input module.	£799.00
(vSplit duo xlr5-5-xlr5)	Dual input, 8 output modular DMX512 splitter / fixer with RDM support. 1RU 19" rack mount. This version fitted with XLR5 DMX input modules and XLR5 output connectors.	£895.00
(vSplit iso xlr5-5)	Single input, 10 output modular DMX512 splitter / fixer with RDM support and individually isolated outputs. 1RU 19" rack mount. This version fitted with XLR5 DMX input module and XLR 5 pin output connectors.	£1,425.00

Order Code	Product Description	Price Sterling
(vSplit iso xlr8-8)	Single input, 10 output modular DMX512 splitter / fixer with RDM support and individually isolated outputs. 1RU 19" rack mount. This version fitted with XLR8 DMX input module and Ethercon output connectors.	£1,499.00
(vSplit iso xlr5-8)	Single input, 10 output modular DMX512 splitter / fixer with RDM support and individually isolated outputs. 1RU 19" rack mount. This version fitted with XLR5 DMX input module and Ethercon output connectors.	£1,499.00
(vSplit BLANK)	Blank panel for versaSplit duo.	£19.50
(vSplit XLR3)	DMX input module for versaSplit. XLR 3 connectors.	£99.00
(vSplit XLR5)	DMX input module for versaSplit. XLR 5 connectors.	£99.00
(vSplit XLR8)	DMX input module for versaSplit. Ethercon XLR 8 pin connectors.	£99.00
(vSplit CRMX)	CRMX wireless DMX input module for versaSplit.	£199.00
(vSplit ETHB)	Ethernet B input module for versaSplit with browser configuration, 10/100BaseT.	£143.00
B) Test Equipment		
(nanoScope)	A sophisticated DMX512/RDM tester built into an XLR connector.	£65.00
(nanoScope tx)	A simple DMX512 transmitter built into an XLR connector.	£95.00
(nanoScope developer)	A sophisticated RDM analyser and DMX512 mimic for product developers.	£99.95
(Micro-Scope 3a)	The worlds best selling DMX512 and MIDI tester.	£395.00
(Micro-Pro)	Micro-Scope 3a, Mic-Edit and nanoScope.	£505.00
(Mic-Edit)	Off-line editor for Micro-Scope 3a allowing remote modification of all lamp personalities, presets and setup. Connects to PC via (supplied) serial/usb cable.	£125.00
(Mic-Mani)	Full service for all versions of Micro-Scope.	£237.50
(Mic-MIDI)	Adapter cable allowing all versions of Micro-Scope to receive MIDI.	£25.00
(Jump-Start)	DMX Tester / RDM Programmer.	£265.00
(Dali-Scope)	DALI test and configuration tool.	£285.00
(MIDI-Scope)	A battery powered, handheld MIDI tester and analyser. Includes Charger/PSU and soft case.	£595.00
(DMX-Break)	Breakout module for testing DMX512.	£185.00
(daliDongle)	USB-to-DALI converter, designed to work in conjunction with DMX-Workshop.	£150.00
(Tridonic DALI-USB)	USB DALI interface and testing tool.	£315.00
(Mic-Bat)	Spare NiCd battery for Micro-Scope, Show-Control, MIDI-Scope.	£14.00
C) Ethernet and Art-Net		
(artLynx quad)	Ethernet to four DMX512/RDM universe output module. DIN rail or wall mounting	£395.00
(artLynx duo)	Ethernet to two DMX512/RDM universe output module. DIN rail or wall mounting	£295.00
(Art-Switch PoE4)	DIN-Rail 10/100BaseT PoE Ethernet Switch.	£365.00
(Art-Relay)	DIN Rail mount Art-Net or sACN controlled 12 channel mains relay.	£275.00
(Art-Route)	Art-Net Software Package for routing broadcast to unicast data.	-£1.00
(Art-Merge)	Art-Net Software Package for merging 20 sources to 4.	£155.00
(DMX-Workshop)	DMX-Workshop is a configuration and diagnostics application for Art-Net and sACN.	-£1.00
(Data-Lynx I/P)	Rack mount Art-Net / DMX Converter, 12 DMX inputs.	£795.00
(Data-Lynx O/P)	Rack mount Art-Net / DMX Converter, 12 DMX outputs.	£795.00
D) Lighting Controllers - moody wall panel		
(moody cvi1)	Wall panel controller for 1 channel of white light intensity with built-in CV dimmer.	£129.00
(moody cvx1)	Wall panel controller for a zone of RGB colour with built-in CV dimmer.	£129.00
(moody cvz1)	Wall panel controller for a zone of RGB colour with built-in CV dimmer.	£129.00
(moody cvf1)	Wall panel controller for a zone of RGB colour with built-in CV dimmer.	£129.00

Prices are exclusive of VAT and Delivery. Sales subject to our terms and conditions, a copy of which is available upon request. E&OE.

Page: 2   www.ArtisticLicence.com

Order Code	Product Description	Price Sterling
(moody i1)	Wall panel controller for 1 channel of white light intensity with DALI and DMX outputs.	£99.00
(moody i6)	Wall panel controller for 6 channels of white light intensity with DALI and DMX outputs.	£99.00
(moody i16)	Wall panel controller for 16 channels of white light intensity with DALI and DMX outputs.	£99.00
(moody x1)	Wall panel controller for a zone of RGB colour with DALI and DMX outputs.	£129.00
(moody x3)	Wall panel controller for 3 zones of RGB colour with DALI and DMX outputs.	£129.00
(moody x10)	Wall panel controller for 10 zones of RGB colour with DALI and DMX outputs.	£129.00
(moody y1)	Wall panel controller for a zone of RGBW colour with DALI and DMX outputs	£129.00
(moody y3)	Wall panel controller for 3 zones of RGBW colour with DALI and DMX outputs.	£129.00
(moody y10)	Wall panel controller for 10 zones of RGBW colour with DALI and DMX outputs.	£129.00
(moody z1)	Wall panel controller for a zone of RGB colour with DALI and DMX outputs.	£129.00
(moody z3)	Wall panel controller for 3 zones of RGB colour with DALI and DMX outputs.	£129.00
(moody z10)	Wall panel controller for 10 zones of RGB colour with DALI and DMX outputs.	£129.00
(moody f1)	Wall mount DALI & DMX dynamic effects panel controller for a zone of RGB with illuminated rotary control.	£129.00
(moody f3)	Wall mount DALI & DMX dynamic effects panel controller for 3 zones of RGB with illuminated rotary control.	£129.00
(moody f10)	Wall mount DALI & DMX dynamic effects panel controller for 10 zones of RGB with illuminated rotary control.	£129.00
(moody fascia ch)	Cover and dial kit for moody. Chrome fascia plate and chrome dial.	£15.00
(moody fascia pw)	Cover and dial kit for moody. Polished white fascia plate and polished white dial.	£15.00
(moody fascia ss)	Cover and dial kit for moody. Stainless steel fascia plate and stainless steel dial.	£15.00
(moody fascia bs)	Cover and dial kit for moody. Brushed steel fascia plate and brushed steel dial.	£15.00
(moody fascia bk)	Cover and dial kit for moody. Matt black plastic fascia plate and dial.	£15.00
(moody fascia bkch)	Cover and dial kit for moody. Matt black plastic fascia plate and chrome dial.	£15.00

E) Interface Products

Order Code	Product Description	Price Sterling
(Rail-Merge)	DIN rail mounted product that merges two DMX inputs to one DMX output.	£375.00
(Rail-DALI-DMX)	DIN Rail mount DALI to DMX converter.	£415.00
(Rail-DMX-DALI)	DIN Rail mount DMX to DALI converter.	£415.00
(Rail-PSU-D4)	Four channel DALI Bus Power Supply.	£265.00
(daliSwitch)	DIN Rail mount DALI controlled 6 channel mains relay.	£295.00
(Rail-Flip)	4 universe DMX512 change-over with manual or automatic fail-over.	£355.00
(Rail-Contact)	DIN Rail Contact closure DMX Trigger Unit.	£255.00
(Rail-Switch II)	DIN Rail mount DMX controlled 6 channel mains relay.	£275.00
(Rail-Demux)	DIN Rail mount DMX to 16 channel analogue.	£395.00
(Rail-Road)	19" Rack adapter for Din-Rail products.	£145.00
(Henry)	RJ45 to male 5 pin XLR adapter.	£35.00
(Henrietta)	RJ45 to female 5 pin XLR adapter.	£35.00
(Rail-Patch XLR5F)	Din rail mounted patch panel for 5 pin female XLR connector.	£32.00
(Rail-Patch XLR5M)	Din rail mounted patch panel for 5 pin male XLR connector.	£32.00

E) Lighting Controllers - matisse wall panel

Order Code	Product Description	Price Sterling
(Light-Switch)	Wall panel DMX controller. UK portrait format. No programming kit.	£315.00
(Switch-Edit)	Programming kit for Light-Switch (RS232 or USB).	£125.00

Order Code	Product Description	Price Sterling

F) Lighting Controllers - media servers

Order Code	Product Description	Price Sterling
(dVnet)	A 20,000 pixel digital video to network converter housed in a 1u 19-inch rack case with 50Hz HDMI video input up to 1920x1080i interlaced.	£4,850.00
(dVnet pro)	A 20,000 pixel digital video to network converter housed in a 1u 19-inch rack case with 50/60Hz HDMI video input up to 1920x1080p progressive.	£5,950.00
(dVnet extreme)	An 85,000 pixel digital video to network converter housed in a 1u 19-inch rack case with 50/60Hz HDMI video input up to 1920x1080p progressive.	£8,695.00
(Colour-Tramp PC)	A Rack Mount PC pre-installed and tested with the Colour-Tramp software (Licence is still required).	£2,495.00
(Colour-Tramp RDM)	RDM Monitor	£3,995.00
(Colour-Tramp 4U)	Control software for 2D/3D colour or intensity arrays. 4 Universe Output.	£2,180.00
(Colour-Tramp 8U)	Control software for 2D/3D colour or intensity arrays. 8 Universe Output.	£3,360.00
(Colour-Tramp 20U)	Control software for 2D/3D colour or intensity arrays. 20 Universe Output.	£6,900.00
(Colour-Tramp 40U)	Control software for 2D/3D colour or intensity arrays. 40 Universe Output.	£12,800.00
(Colour-Tramp SL)	Control software for 2D/3D colour or intensity arrays. Site Licence.	£24,600.00

G) Books

Order Code	Product Description	Price Sterling
(Rock Solid)	Rock Solid Ethernet by Wayne Howell.	£24.95
(Control Freak)	Control Freak by Artistic Licence CEO Wayne Howell, is a reference on the subject of DMX512 and RDM.	£28.95
(Light Bytes)	Light Bytes by Artistic Licence CEO Wayne Howell, is a reference on the subject of Art-Net and sACN.	£32.99

H) LED - Constant Voltage

Order Code	Product Description	Price Sterling
(Rail-Pipe HC)	Six Channel High Current Constant Voltage Controller for Passive LED Fixtures.	£195.00
(Rail-Pipe HC BP)	Bulk pack of 10 Rail-Pipe HC.	£1,852.50
(Art-Pipe)	24 channel ethernet controller for passive LED products.	£195.00
(lightJuice CV4)	A PoE++ powered (24V 60W) 4 channel constant voltage dimmer.	£695.00

I) LED - Constant Current

Order Code	Product Description	Price Sterling
(CP24-24-350mA-24V-300W)	Rack Candle-Power, 24 channels. Channel current is 350mA. Internal PSU 24V with 300W.	£1,945.00
(CP24-24-700mA-48V-300W)	Rack Candle-Power, 24 channels. Channel current is 700mA. Internal PSU 48V with 300W.	£2,145.00
(CP24-24-700mA-48V-600W)	Rack Candle-Power, 24 channels. Channel current is 700mA. Internal PSU 48V with 600W.	£2,345.00
(CP12-12-350)	Candle-Power 12 Channel 350mA CC driver.	£475.00
(CP12-12-700)	Candle-Power 12 Channel 700mA CC driver.	£505.00
(CP12-0)	Candle-Power No Modules Fitted.	£285.00
(CPM-350)	Candle-Power 3 Channel 350mA Module.	£85.00
(CPM-500)	Candle-Power 3 Channel 500mA Module.	£105.00
(CPM-700)	Candle-Power 3 Channel 700mA Module.	£105.00

P) Power-Supplies

Order Code	Product Description	Price Sterling
(PSU-12-10-DR)	DIN Rail PSU. 12V 10A. Switched AC input.	£30.00
(PSU-12-6-DR)	DIN Rail PSU. 12V 6A. Universal AC input	£25.00
(PSU-9-1.5-DCJ)	Spare PSU for Micro-Scope and DMX-Buffer. Universal voltage input.	£30.00
(PSU-24-2-FER)	PSU for Rail-Demux and Rail-PSU-D4. Terminated with 2 pin ferrules. Universal AC input on IEC.	£55.00
(PSU-24-5-FER)	PSU for Rail products. Terminated with 2 pin ferrules. Universal AC input on IEC.	£30.00
(PSU-9-1.5-XLR4)	PSU terminated with 4 pin female xlr. Universal AC input on IEC.	£35.00
(PSU-9-1.5-DR2)	PSU for Art-Relay. Terminated with a 2pin 'Plug-In' rising clamp female connector. Universal AC input on IEC.	£35.00
(PSU-9-1.5-FER)	PSU for Rail products. Universal voltage input.	£30.00

Prices are exclusive of VAT and Delivery. Sales subject to our terms and conditions, a copy of which is available upon request. E&OE.

Page: 4   www.ArtisticLicence.com

Order Code	Product Description	Price Sterling
(PSU-48-5-DR)	Din Rail PSU. 48V 5A. Universal AC input.	£40.00
(PSU-48-10-DR)	Din Rail PSU for Candle-Power CP12. 48V 10A. Switched AC input.	£470.00
(PSU-24-5-DR)	Din Rail PSU. 24V 5A. Switched AC Input	£135.00
(PSU-24-2.5-DR)	Din Rail PSU for Rail products. 24V 2.5A. Universal AC input	£59.00
(PSU-48-1-DR)	Din Rail PSU for Art-Switch PoE4. Universal AC input	£115.00
(PSU-24-10-DR)	DIN Rail PSU for Rail-Pipe HC and Art-Pipe. 24V 10A. Universal AC input	£40.00
(PSU-9-10-DR)	DIN Rail PSU. 9V 10A output with a switched mains input.	£135.00
